Personal Objectives:

I have done many varied types of work in my life, as well as travelled throughout my working career.

I have previously worked with the elderly in rest homes and live in home care, as well as working with people with both physical and intellectual disabilities.

I have worked for Morris Corporation in the Housekeeping department at karntama Village for just under 3 years which in that time

I have done several weeks as a relief supervisor, and working at the Christmas creek airport when needed, as well as working in the Bar/retail department.

I left there in September 2015 to go to barrow island with Compass group which I worked in the Housekeeping / Laundry department.

I finished there at the end of February due to having to go home for a few weeks and I am now travelling, working around Australia.
